Audio / Stage

- A head-worn microphone, preferred
- Long-range clicker
- A/V projector with HDMI port
- Confidence monitor that shows next screen and current screen
- Wireless microphones in the audience for audience participation. Microphone runner preferred.

Room Set

- Alicia likes to connect with her audience, including walking into the audience and bringing people on stage. Please make sure there is an easy pathway from the audience to the stage.
- Please ensure there is an opportunity for Alicia to test the audio and visual equipment prior to the event.
- Ensure water is available.

Travel & Accommodations

- Economy ticket
- Quiet hotel room
